FUND RAISING SUPPORT FOR TAYLOR LATIMER & HIS FAMILY

Following that horrific car accident in Bonny Hills, Taylor Latimer continues to be treated in Sydney. Taylor and his mum Lou have been active club members in Nippers and on patrol for many years.

It is likely they will need to stay in Sydney for some time to come. To relieve some of the financial pressure on them while they are away from home, the Lions Club has set up a special account. You can support them, by making a deposit into the account either on line or over the counter:

BANK	Westpac, Laurieton
BSB	032586
ACCOUNT #	325924
ACCOUNT NAME	The Lions Club of Laurieton No 2 Account

While this fund-raising effort is specifically for Taylor's family, it forms part of a broader program of community support for ALL the families involved. They all need and deserve our support.
