

Nipper's Brave Battle

Wauchope-Bonny Hills 'Nippers' member young Xander Bogg is having a health battle that no one should have to go through, however, he is doing so with an incredibly brave face for someone who loves to run, play beach flags, paddle a board and surf.

From May till August this year Xander and his family stayed at Ronald McDonald House in Newcastle for treatment for a bone disease. This long stay was made so much easier thanks to the love and support from Ronald McDonald House. The House is fundraising with a toy raffle this year just in time for Christmas and Xander has been selling tickets to give back to the house that has supported him.

After a quick announcement over the PA System at Nippers on Sunday, the 'Mal de Mer Club' came forward and presented a cheque to Xander for Ronald MacDonalD House.

Ronald McDonald House provides wonderful place where families can continue their lives... to eat and sleep... to find their strengths and dry their tears... to look forward with hope to better years. This is the house that becomes their home... this is the house that love built.

Located in the grounds of John Hunter Children's Hospital Newcastle, the House helps families overcome the stresses associated with a child's illness by encouraging supportive interaction with other parents in a comfortable, home-like environment.

Tickets are available from Bonny Hills Tavern Bistro and Kendall Op Shop.
